

Confirmation of ongoing certification audit for Emhart Glass Sweden AB

Hereby Bureau Veritas Certification Sverige AB confirms that Emhart Glass Sweden AB are currently under a recertification process.

The audit is partially performed with 2/4 sites audited and the remaining 2 sites will be audited in September/October 2024. Once all sites have been audited, Bureau Veritas will start the process of reviewing reports and non-conformities.

When the report is reviewed and the reply on non-conformities are approved, Bureau Veritas will issue a certificate for ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018.
